

MOU April 27, 2021

Between

Mt. Diablo Unified School District

And

Mt. Diablo Education Association

Regarding

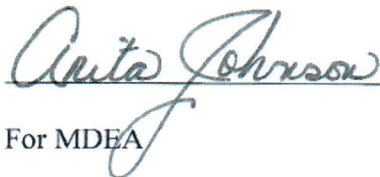

Hourly Summer School Pay Rate for the Summer of 2021

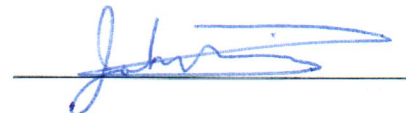

The Mt. Diablo Unified School District (MDUSD) and the Mt. Diablo Education Association (MDEA), hereafter, the Parties, agree to an increase in the "instructional" hourly pay from \$37 to \$50 per hour for the upcoming Extended School Year (ESY) for Special Education, traditional summer school, and for Skill Camps for the summer of 2021 Summer School.

This change is to allow MDUSD to offer a one-time higher summer rate to address the learning loss from the COVID-19 pandemic during the 2020-2021 school year.

The Parties agree that nothing in this Agreement shall create a past practice or be deemed precedential as to any other employee, any other summer program or summer period of time in the future, or in any manner whatsoever.

The above pay rate only applies to teacher-student instructional time, and does not therefore apply to other areas (e.g. professional development, preparation time).
